Other Requirements for the B.M. Degree

Before students can be accepted into the B.M. Degree, they must demonstrate, through audition, a repertory and technical proficiency sufficient to demonstrate a reasonable exception for completion of the degree.

All students who want to major in piano must pass an entrance piano audition prior to admission to the program. (For more information on Piano Audition, consult the Piano Division Head.) Piano majors are required to play at an advanced level, as determined at the entrance audition, and complete Piano Proficiency Requirements for Piano majors.

Students in applied music progress according to stated repertoire commensurate with the level of study and as demonstrated in a juried performance. Access to upper division 3000 and 4000 level study and to the junior level recital is authorized by the division faculty upon completion of a juried performance at the preceding level with a grade of B or higher. Continuation in the Bachelor of Music in performance program is granted at the end of the second semester of 2000 level study with a jury grade of B or higher. Any request for admission to the program coming later in the student's career will be by special audition.

Performance majors must complete at least 16 hours of applied study at least 8 of which must be upper division with at least 4 of those at the 4000 level.

Piano majors can elect to enroll in Piano Ensemble (MPER 2781) for two semesters (two credit hour total) to fulfill a part of the Major Ensemble degree requirement.

Students enrolled in Junior Recital (MPER 3811) or Senior Recital (MPER 4812) must pass a pre-recital jury at least two weeks prior to the recital. Each performance area will determine what literature is appropriate for junior or senior level recitals.

Minimum Grade Requirements

- 2. ^ A grade of "B" or better must be earned in all major applied courses.
- 3. A grade of "C" or better must be earned in all other courses in the major to count toward meeting degree requirements, except for applied major courses.

For other regulations pertaining to graduation, see the UCO 2014-2015 Undergraduate Catalog.
