Total 60-64 hours
To include additional course work required for the A.A. as stated in the RCC catalog.

*This course does not apply to teacher education programs and degrees, but will be substituted for this degree.

#These major courses must be completed with a minimum 3.00 GPA to enroll in the practicum.

This degree requires additional course work, including the general education, as stated in the RCC Catalog. Other RCC courses may or may not apply to the UCO major. That specific information can be found on the UCO website under the Online Transfer Guide.

(May be taken at RCC.) This signifies that a UCO course requirement can be met with the equivalent RCC course (found on the UCO website). To take this course at RCC, the student should confirm that it will fit into the associate’s degree without exceeding the requirements. A minimum of 60 hours must be taken at a baccalaureate granting institution. Exceeding 64 credit hours at the community college means the student will be required to take more than the minimum of 124 credit hour total. A minimum of 40 hours of 3/4000 level courses are required for the baccalaureate. Courses from community colleges are 1/2000 level.
