Other Requirements for the B.M. Degree

Before students can be accepted as candidates for the B.M. Degree, they must demonstrate through examination a repertory and technical proficiency sufficient to justify beginning the program.

The candidates must receive minimum grades of “B” in their applied major courses each semester they are enrolled. Failure to do so will necessitate a repetition of that semester’s work.

Performance majors must complete at least 16 hours of applied study at least 8 of which must be upper division with at least 4 of those at the 4000 level.

Only students capable of playing the piano at an intermediate or higher level may take a Piano Placement Examination prior to their first enrollment to determine their eligibility to enroll in an appropriate level of Applied Piano (MPER 1000, 2000, 3020, 4000).

Students in applied music progress according to stated repertoire commensurate with the level of study and as demonstrated in a juried performance. Access to upper division 3000 and 4000 level study and to the junior level recital is authorized by the division faculty upon completion of a juried performance at the preceding level with a grade of B or higher. Continuation in the Bachelor of Music in performance program is granted at the end of the second semester of 2000 level study with a jury grade of B or higher. Any request for admission to the program coming later in the student’s career will be by special audition.

Minimum Grade Requirements

1. Average in all college course work and course work at UCO...............2.75
2. * A grade of “B” or better must be earned in all major applied courses.
