

UCO Admissions Information

UCO Admissions Information

Undergraduate Admissions

The Office of Undergraduate Admissions (UA) provides information to prospective freshmen and transfer students interested in attending the University of Central Oklahoma. Undergraduate Admissions is typically the first point of contact for prospective students, their parents, and academic counselors.

Campus visits are offered through this office and provide students the chance to tour campus, visit with a professor, view the various housing opportunities, and obtain information concerning their intended major.

Field Admission Counselors attend college fairs and make presentations to high schools and community colleges throughout the state of Oklahoma.

Throughout the year, Undergraduate Admissions coordinates recruitment events and activities on campus. For further information, or to arrange a campus visit please call (405) 974-2727.

Admission Requirements

Standards for admission to UCO are established by the Oklahoma State Regents for Higher Education. These standards are based on prospective students' residence status and previous educational background.

All students pursuing an area of study leading to a bachelor's degree must meet both performance standards and curricular standards. Performance standards refer to a student's rank in the high school graduating class and overall grade point average in the core curriculum courses. It can also be based on admission test scores. Curricular standards refer to a student's formal educational background in the subject areas of English, science, mathematics, history, and citizenship skills (as well as two additional units from foreign language, computer science and the subjects listed above).

For **first-time entering freshmen**, proficiency in these curricular areas can be demonstrated by having successfully completed four years of English, three years of laboratory science, three years of mathematics (Algebra I or above and Algebra II), three years of history and citizenship skills (including 1 year of American History and 2 additional years from History, Economics, Geography, Non Western Culture), and 2 additional units from subjects previously listed or from computer science or foreign language at the high school level.

Students who have not completed the above subject college-bound core at the high school level can demonstrate sufficient curricular background and knowledge for college study. To do so, they must successfully pass a placement examination in the deficient area or attain a minimum score of 19 in the appropriate subject portion of the ACT.

GED students who meet freshman admission standards must wait until their graduating high school class is due to enter the collegiate circuit. Alternatively, they may file for special early admission by submitting the standard application materials, writing a letter of intent, and completing a personal interview with the Director of Admissions.

Transfer students can document proficiency in the curricular areas in one of four ways: 1) successful completion of college-bound core areas at the high school level, 2) achievement of a passing score on the appropriate placement examination, 3) completion of the approved developmental or remedial course(s), or 4) successful completion of a college level course in the curricular area.

Preliminary admission decisions can be made based on: 1) six-semester high school transcripts from students who have earned a 20 ACT composite or above, 2) seven semester high school transcripts with the required GPA and class rank, 3) final high school transcript with a core calculation of a 2.7 or higher or 4) college transcripts with only the current semester outstanding, except in cases where the grade point average or curricular deficiencies are borderline. Final admission decisions CANNOT be made until all credentials have been received by the Office of Undergraduate Admissions. All transcripts, test scores, correspondence, or other materials submitted for the purpose of applying for admission become the property of the University and will not be returned.

For information regarding admission to the University, write or visit the Office of Undergraduate Admissions, Nigh University Center, Room 124, University of Central Oklahoma, 100 North University Drive, Edmond, Oklahoma 73034-5209 or click the apply link on the university's home page at www.uco.edu

Application Fee

All first-time applicants, applicants for a previous term who never enrolled, students who have been out for a year or longer, or anyone who has been suspended and reinstated after sitting out the required time will be charged a non-refundable, non-transferable, \$40.00 application fee with the Application for Admission. This fee must be paid before an application will be processed, any unpaid applications will be treated as incomplete and not processed until payment is received. Applications are online at www.uco.edu, click on the "Apply Now" button.

To insure credit to the proper account, an applicant should write his/her social security number or student identification number on the check. On-line applications must be paid electronically.

Non-Academic Admission Requirements

The University of Central Oklahoma may take into account non-academic criteria in admitting first-time, readmission or transfer students to include whether an applicant has been expelled, suspended, placed on probation, denied admission, or denied readmission by any other educational institution. A person whose conduct has been such that if the applicant was a student at the time of the conduct in question and the conduct would have been grounds for expulsion, suspension, probation or dismissal, then, denial of admission to the University of Central Oklahoma may occur.

Admission of students who are currently under disciplinary sanctions at other institutions must first be approved through the Office of Student Conduct, Lillard Administration Building, Room 213 or (405) 974-2361. The University reserves the right to deny admission or readmission to any student based upon prior conduct and/or based upon prior illegal activity.

Assessment

The Oklahoma State Regents for Higher Education requires UCO to assess students for entrance into foundation courses, at the completion of general education courses, and at the point of graduation. Students are required to take the placement tests in

the University of Central Oklahoma First Year Experience Center if they: 1) have a subject score on the ACT test below 19, or 2) have not successfully completed a college level or approved remedial course in the subject. Other entry assessment activities are described in the section titled Admission Requirements. Students are contacted to participate in mid-level assessment evaluating the general education curriculum. Assessment of students upon graduation is dependent on the student's major. Students also participate in opinion surveys and the Graduating Student Survey to determine their level of satisfaction with UCO programs and services.

For information regarding entry level student assessment for admission to the University, contact the FYE Placement Testing, Nigh University Center, Room 134, (405) 974-5390. For all other questions concerning academic assessment, contact Chelli Gentry, Director of Assessment, Thatcher Hall, Room 106A, (405) 974-2539 or e-mail cgentry@uco.edu

Readmission

Former students who have not attended the University of Central Oklahoma for a period of one year or longer must be readmitted before enrollment. An application for readmission and official transcripts of all work completed since leaving UCO must be on file in the Office of Undergraduate Admissions to be considered for readmission.

A returning applicant must submit a non-refundable \$40.00 application fee with their Application for Re-admission. To obtain a re-admit application, click the apply button on the university's home page at www.uco.edu

Matriculation

*The UCO Catalog in effect at the time of a student's initial enrollment shall govern the student's degree requirements. A student may not declare a major that has been subsequently inactivated, even if that major was active in a catalog year for which the student is eligible.

A student who maintains continuous enrollment (no absence of two or more years), but fails to complete degree requirements within 10 years, will be required to meet requirements under a newer catalog.

Any student who has not attended UCO for two or more years is deemed to have broken matriculation and must meet degree requirements in effect at the time the student re-enrolls.

A student always has the option of following degree requirements established later than his/her date of matriculation at UCO. *Concurrently enrolled high school students will claim the catalog year in which they become first time freshmen as defined by the university and the Oklahoma State Regents for Higher Education.

Admission of Academically Suspended Students From Other System Institutions

Students with suspensions from other institutions may apply for probational admission. To be considered for probational admission, students must have met all other applicable UCO admission criteria at the time of first college admission. Application for admission on probation is not guaranteed and a committee will determine the student's potential for success. If admission is granted, limitation of hours and specific course mandates may be imposed as a condition for admission. Future enrollments will

depend upon the student meeting retention grade point average requirements. If admission is denied, the decision of the committee is final for that academic term.

To apply for probational admission following suspension from another institution, students must petition the Committee on Undergraduate Admissions and Academic Retention within prescribed deadlines. Petition forms are available online at www.uco.edu/em/appeal. Then, click on the admissions link. For more information please call (405) 974-2727.

Resident Status

Prospective students are classified as in-state residents or out-of-state non-residents for admission and tuition purposes based on information provided on the application for admission and the applicant's academic history. Programs with enrollment limits may give priority admission or class enrollment preference to Oklahoma residents.

All students, except bona fide residents of Oklahoma, must pay nonresident tuition in addition to other enrollment fees and must meet nonresident admission criteria. Members of the Active Duty Armed Services stationed in Oklahoma and their dependents are eligible for in-state tuition. They must provide a copy of their military orders to be reclassified.

Any applicant presenting a transcript of credit from an educational institution outside of Oklahoma will be assumed to be a nonresident. It is the responsibility of each applicant to submit any questions about residence status to the Office of Undergraduate Admissions. A uniform policy concerning residence status exists for all state-supported institutions of higher education in Oklahoma. A residency packet must be completed to determine residency. The packet may be obtained from the Office of Undergraduate Admissions, room 124 in the Nigh University Center.

English Proficiency Requirement

Prior to admission, all applicants for whom English is a second language shall be required to present evidence of proficiency in the English language. The following are considered acceptable proofs:

- A. For applicants seeking admission by transfer from an accredited college or university in the United States, completion of twenty-four college semester hours with passing grades and meeting other transfer requirements.
- B. For a first-time entering student who has attended all high school years in an accredited high school in the United States, successful completion of the high school core requirements and meeting the requisite ACT or SAT score for admission to the university.
- C. For all other applicants for undergraduate admission, acceptable proof of English proficiency shall be:
 1. A score of 500 or higher on the TOEFL test. The test must have been taken at an "International" or a "Special" testing center and the score report submitted directly from the testing agency. The result of the TOEFL test administered "Institutionally" will be accepted only if administered at the University of Central Oklahoma or on the computer based test.
 2. An applicant not eligible under the provision above may furnish proof of a TOEFL score of 460 or higher plus proof of subsequent successful completion of a minimum 12 weeks of study at an English language school operated by an institution of higher learning or a private

English language school approved by the Oklahoma State Regents for Higher Education.

- A score of 6.0 or higher on the International English Language Testing System (IELTS) under the Intensive English Program (IEP) option as an alternative for admission.

Definition of Admission Terms

ACT - A standardized examination produced by the American College Testing program used for admission purposes. There are two types of ACT exams. One is referred to as “national” which means it was taken on a national test date. These dates are scheduled a year in advance with one being offered approximately every other month. The other type is known as “residual” meaning it is offered by a college or university on a regular basis, but not on the same day a national exam is scheduled. Residual ACT scores are only applicable at the institution where the test was administered and can only be taken once per November-October year. **NOTE: Only the national exam is acceptable for NCAA athletic eligibility and some academic scholarships. The ACT has four subtests, the sum of whose scores must meet the acceptable composite score.**

High School Class Rank - The class rank is a comparison on where the student ranks academically versus the rest of the graduating class.

High School Grade Point Average - The grade point average is the average of all grades (“A” equating to 4.00 and “D” equating to 1.00) taken in the 9th through 12th grade. Honors weighting will not be used in the calculation of the GPA because there is no equitable mechanism to include the honors premium. **EXCEPTION:** Additional weighting (1.0) will be added to GPA’s of students who take the College Board Advanced Placement (AP) and higher level International Baccalaureate (IB) courses, when calculating the core course GPA for admission purposes.

SAT - The Scholastic Achievement Test is a standardized examination produced by the College Board and used for admission purposes. It has two components (math score and verbal score) added together to form the combined score. The writing portion of the test is not considered in the admission decision.

New Freshman Admission

Admission to the University of Central Oklahoma as a first-time freshman student is based on high school performance, Standardized test results (ACT or SAT), and completion of specific high school curricular requirements. Oklahoma high schools may be accredited by either (1) the State Board of Education for Oklahoma, (2) the Higher Learning Commission, formerly the North Central Association of Colleges and Schools, or (3) the Independent Schools Association of the Southwest. Out-of-state high schools may be accredited by either the regional association or by an appropriate accrediting agency of the state in which the school is located.

To be admissible for regular study, an individual must have (1) graduated from an accredited high school or have earned a high school equivalency certificate based on the General Education Development (GED) tests and GED recipient’s high school class must have graduated, (2) participated in the American College Testing program or a similar battery of tests, (3) met the curricular requirements shown below, and (4) met the following performance criteria:

Performance Levels for Admission to UCO

<u>Year</u>	<u>Test Scores</u>	<u>High School</u>
2012-2013	Composite ACT or Combined SAT ACT 20 or SAT 940	GPA and Class Rank 2.7 AND Upper 50%
	OR	
2012-2013	2.7 GPA in 15 unit high school core	

The exact standardized test score will be specified annually by the Oklahoma State Regents for Higher Education. It will be based on the preceding three years’ ACT scores of graduating seniors, if available, using Oklahoma norms. A concordance table will be used to determine SAT score equivalencies.

The GPA will be defined annually by the Oklahoma State Regents for Higher Education to correspond to the rank in class.

Curricular Requirements for Admission to UCO*

<u>High School</u>	<u>Yrs</u>	<u>Class Subjects/Discipline of Study</u>
*English	4	Grammar, Composition, Literature
*Mathematics	3	Algebra I and Algebra II plus Geometry, Trigonometry, Math Analysis, Calculus, or Advanced Placement Statistics
*Lab Science	3	Biology, Chemistry, Physics or any lab science certified by the school district; does not include General Science with or without a lab
History and Citizenship	3	Must include one year of American History and two additional units from History, Economics, Geography, Government, or Non-Western Culture
Additional	2	Additional units of subjects previously listed or selected from Computing Science, and/or Foreign Language

Students may be admitted if the asterisked (*) units are fulfilled and the student has scored a minimum subscore of 19 in the reading subscore area of the ACT.

These requirements and the alternatives that follow are subject to change by the Oklahoma State Regents for Higher Education.

Remediation of Curricular and Performance Deficiencies

New freshmen and transfer students who have not completed the core curriculum requirement in high school listed under NEW FRESHMAN ADMISSION or who have not demonstrated performance proficiency requirements will be considered deficient and must remediate these deficiencies as follows:

- If a student has deficiencies in English, math, or reading, the student may do one of the following:
 - Submit an ACT national subscore or UCO residual ACT subscore of 19 or above in the curricular area in which the deficiency exists. (ACT scores must be less than five years old.)
 - Take the College Placement Test (CPT) and make the appropriate score in the curricular area in which the deficiency exists.
 - Take and pass the designated 0 - level course in the curricular area in which the deficiency exists. (0 - level courses do not count as college credit and are not computed in the GPA.)

2. To remediate the other deficiencies, the student must take an extra 3 credit hour college level course in the area in which the deficiency exists.

First-time freshmen must remediate all basic skills curricular deficiencies and demonstrate a minimal level of proficiency in the subject areas of math, English, science and reading within 24 credit hours attempted at UCO. Transfer students must remediate all basic skills course curricular deficiencies and demonstrate a minimal level of proficiency in the subject areas of math, English, science and reading within the first 12 semester credit hours at UCO.

If the student fails to remediate the deficiency in the designated time, the student will not be allowed to enroll in any course except the course(s) required to remediate the deficiency.

Special Admission Programs

Students who do not qualify under previously stated academic and curricular requirements may be considered for admission under one of the following categories.

A. Alternative Admission

The University of Central Oklahoma may admit a **limited number** of first-time freshmen who do not meet the established criteria for regular freshman admission.

Admissibility is determined by the University of Central Oklahoma's Committee on Undergraduate Admissions and Academic Retention. This determination is based on the applicant's ability to demonstrate a reasonable expectation for academic success, an unusual talent or ability in art, drama, music, sports, or the like, or if the student is educationally or economically disadvantaged and shows promise of being able to succeed in a program or curriculum offered at UCO. The decision of this committee is final for that term.

Students interested in the alternative admission program must complete an alternative admission appeal packet. Information and the petition of appeal is available at www.uco.edu/em/appeal. Then, click on the admissions link. For more information please call 405-974-2727

B. Adult Admission

Students, 21 years of age or older, who have attempted six or fewer collegiate hours may be admitted by achieving the required scores on the institutional placement exam administered by the University. Transfer students are not eligible for adult admission.

Students not regularly admissible who are interested in the adult admission program should contact the Office of Undergraduate Admission at 974-2727 for additional information.

C. Home Study or Unaccredited High School Graduates

Graduates of private, parochial, or other non-public high schools not accredited by a recognized accrediting agency are eligible for admission if they:

1. Submit an official transcript or document reflecting graduation (the corresponding public high school class must have graduated);
2. Participate in the ACT or SAT program and achieve a 20 or higher composite score on the ACT or an 940 SAT score;
3. Satisfy the high school curricular requirements listed for freshmen, as certified by the school, or for home study, the parent.

D. Concurrent Enrollment of High School Students

1. Seniors: Twelfth grade students enrolled in an accredited

high school may be admitted provisionally to the University of Central Oklahoma if the student:

- a. Has participated in the ACT.
 - b. Has achieved a composite ACT test score of at least 20 or a high school GPA of 3.0 and ranked in the top 50% of his/her high school class.
 - c. Is eligible for spring graduation from high school and will satisfy curricular requirements for college admission;
 - d. Has submitted Application for Concurrent Enrollment, high school transcripts, and admission test scores. The application may be obtained at www.uco.edu/concurrent.
2. Juniors: Eleventh grade students enrolled in an accredited high school may be admitted provisionally to the University of Central Oklahoma if the student:
 - a. Has a composite score or combined score at or above the 72nd percentile on the ACT (Oklahoma norms, 23) ; OR a high school GPA of 3.5.
 - b. If the ACT composite is not at the 72nd percentile, but the student's subscore(s) are at the 72nd percentile, the student may enroll in course work in the discipline with the required score providing the student does not have a curricular deficiency in the subject area.
 - c. Has submitted Application for Concurrent Enrollment, high school transcripts, and test scores. The application may be obtained at www.uco.edu/concurrent.
 3. Home Study or Students from Unaccredited High Schools: Students receiving high school level instruction at home or from an unaccredited high school may be admitted provisionally to the University of Central Oklahoma if student:
 - a. Is 17 years of age or older, has participated in the ACT and achieved a score at or above the 50th percentile (20 for ACT) using Oklahoma norms; OR
 - b. Is 16 years of age, participated in the ACT program and achieved a composite or combined score at or above the 72nd percentile (on the ACT - 23).
 - c. Has an ACT composite combined score which is not at the 72nd percentile, but the student's subscore(s) are at the 72nd percentile, the student may enroll in course work in the discipline with the required score, providing the student does not have a curricular deficiency in the subject area.

High school students admitted concurrently may enroll in a combined number of high school and college courses per semester not to exceed a full-time college course load of 19 semester credit hours. For purposes of calculating course load, one-half high school unit shall be equivalent to three semester credit hours of college work.

Students admitted under this policy may enroll in a maximum of nine semester credit hours during the summer session without being concurrently enrolled in high school classes.

Concurrently enrolled high school students are required to see an undergraduate academic advisor. High school students enrolling concurrently in off-campus classes, such as One Net, may only enroll in liberal arts and sciences courses. Concurrently admitted high school students may only enroll in curricular areas where they have met the ACT assessment requirements for college placement. Concurrently admitted high school students will not be allowed

to enroll in any developmental (0-level) courses offered at Oklahoma colleges and universities designed to remove high school deficiencies or take secondary institutional assessments.

A high school student concurrently enrolled in college courses may continue concurrent enrollment in subsequent semesters if s/he achieves a college cumulative grade point average of 2.0 or above on a 4.0 scale. A new concurrent student application must be submitted for the new semester but an application fee will be waived. Following high school graduation, a student who has been concurrently enrolled as a high school student may be admitted to the original institution of concurrent enrollment or another institution in the State System if the student meets the entrance requirements of the receiving institution, including the high school curriculum requirements, and will be subject to the State Regents' retention standards. For more information, please see the Academic Retention Standards section.

E. Exceptional Student/Opportunity Admission

The University of Central Oklahoma will determine admissibility of exceptional students who have not graduated from high school based on test scores, evaluation of the student's level of maturity and ability to function in the adult college environment, and whether the experience will be in the best interest of the student intellectually and socially. Exceptional students may apply for opportunity admission if they have admission test scores as follows:

1. Composite standard score of 32 on the ACT which places them at the 99th percentile using Oklahoma norms **OR**
2. Combined verbal and mathematical score of 1400 on the Scholastic Aptitude Test which places them at the 99th percentile using national norms.

F. Summer Provisional Admission

Students who have a 2.5 high school GPA and no curricular deficiencies, or a composite 17 on the ACT test may be admitted if they successfully complete summer coursework with C or better grade(s). Enrollment is restricted to the summer session immediately following the students's high school graduation. Students must take one college level course in English and one college level course in mathematics. A performance deficiency in either math or English will eliminate the applicant from consideration for this program. If such credit in math or English has previously been earned, the student must enroll for an additional course in social science, natural science or humanities.

G. Summer Curricular Deficiency Program

Students who have met the performance requirements but have two or less curricular deficiencies may be admitted if they successfully complete summer coursework with C or better grade.

H. Special (Non-Degree Seeking) Student

Students who wish to enroll in courses without intending to pursue a degree at the University of Central Oklahoma may be permitted to enroll in up to nine credit hours without submitting academic credentials or meeting the academic curricular or performance requirements of the University of Central Oklahoma. Academic retention standards will be enforced. Poor academic performance could result in academic probation or suspension. Students admitted under this category are not eligible for financial aid. Once students have successfully completed the maximum number of hours allowed, should they wish to enroll in additional course work, they will be required to apply for admission as a degree seeking student, pay the \$40 application fee and fully meet UCO's formal admission and/or transfer admission requirements.

I. International Student Admission and Admission of Students for Whom English is a Second Language

At the University of Central Oklahoma the International Office serves both international students and students for whom English is a second language. International students transferring from United States universities must be in proper status with the United States Immigration and Naturalization Service (INS). Any F-1 visa holder who has been out of school for a semester or who has been a part-time student must file for a reinstatement of visa status with the INS prior to initial enrollment and must receive INS approval for the subsequent semester's enrollment.

Students for whom English is a second language are required to present evidence of proficiency in the English language prior to admission.

J. Admission of First - Time Entering International Students

The University of Central Oklahoma will admit international students who graduate from high schools outside the United States and its possessions provided they:

1. Are eligible for further study on a comparable level in their own countries;
2. Furnish satisfactory proof of proficiency in English;
3. Meet equivalent academic performance standards as listed for new freshman admission;
4. Supply the International Student Office with all documents required by that office for admission;
5. Meet the deadlines for application as outlined in the international student application packet;
6. Supply a cash or check deposit if requested by the University. (This deposit will be used for room and board, tuition, fees, books, health insurance, and other related university expenses until it is exhausted.)

After the above six requirements have been completed, the immigration form will be sent to the prospective student.

K. Flex Education Admission

A student does not have to be admitted to the University of Central Oklahoma to take correspondence courses; conversely, enrollment in Correspondence Studies (Flex Education) does not constitute admission to UCO. Credits earned will not be applicable towards a degree at UCO until the student has been formally admitted and has secured approval from the appropriate academic officers. Students are encouraged to consult with an academic advisor before enrolling to ensure that credit will apply.

A maximum of 31 hours of correspondence credit may be applied towards a UCO degree. It is recommended a student enroll in no more than two courses at a time. Correspondence Studies from UCO may satisfy in-residence requirements but are not included in enrollment verification for Financial Aid, Loan Deferment Programs or for insurance eligibility purposes.

A student may take up to twelve months from the date of enrollment to complete a correspondence course, including the final exam. The minimum requirement for completion is six weeks from the date of enrollment; however, the realistic minimum completion time for any course is ten to twelve weeks. Upon completion, letter grades earned will be posted to an official UCO transcript with the designation "correspondence study."

The Flex Education Office adheres to all policies and regulations set forth in Students Rights and Responsibilities regarding: 1) Honor Codes, 2) Academic Policy, 3) Grade Appeals, 4) Dishonesty Policy, 5) Conduct, 6) Enrollment, and 7) Refunds.

Admission by Transfer

A transfer student is defined as any undergraduate student with greater than six attempted credit hours from another institution at the time of admission, excluding remedial (0-level courses) or pre-college work, and excluding credit hours accumulated while concurrently enrolled in high school.

Prior to enrolling at the University of Central Oklahoma, applicants must submit official transcripts from their high school(s) and all colleges in which they have been admitted or enrolled.

- A. Students classified as Oklahoma residents who wish to transfer to the University of Central Oklahoma may do so if they can satisfy the following conditions:
 1. Meet all the curricular and performance requirements. The performance standards are listed in the Retention Policy.
 2. Meet the UCO academic retention standards (see Retention Policy).
 3. Are in good standing at the institution from which they plan to transfer.
- B. Nonresident students who wish to transfer from an out-of-state college or university to the University of Central Oklahoma must:
 1. Meet all curricular and performance requirements.
 2. Provide official transcripts from all accredited colleges and universities (accredited by the Higher Learning Commission or other regional associations). In addition:
 - a. Nonresident applicants must be in good standing at the institution from which they plan to transfer.
 - b. Nonresident applicants must have a retention 2.0 grade point average at institutions previously attended.
 3. Under certain circumstances, transcripts from institutions not accredited by a regional association may be considered by the Director of Admissions as a basis for admission or for transfer credit articulation. The University will consider the acceptance of credit practices in each state of the institution responsible for reporting their practices to the American Association of Collegiate Registrars and Admissions Officers to determine acceptance of transfer credit. The following conditions will also apply:
 - a. Nonresident applicants must be in good standing at the institution from which they plan to transfer.
 - b. Nonresident applicants must have a minimum retention grade point average of 2.0 at institutions previously attended.
 - c. Applicants will be required to validate the transferred credit by making satisfactory progress (an average of "C" or better) for at least 12 semester hours at UCO.
 - d. Only courses appropriate to students' degree programs will be accepted in transfer.
 - e. When courses cannot be accepted, an applicant's admissibility will be determined on the basis of other transfer work; or if they have not previously attended a regionally or State Regents' accredited institution, admission will be as first-time entering students.

Transfer Probation

Applicants who do not meet the performance or curricular criteria for transfer admission may be considered for transfer probation admission. Applicants who have been recently suspended

from any college or university must apply through the committee on Undergraduate Admissions and Academic Retention. Prior to enrolling at the University of Central Oklahoma, applicants must submit official transcripts from all colleges in which they have been admitted or enrolled.

Students admitted under this provision will be on academic probation and must maintain a 2.0 GPA each semester while on probation or they will be academically suspended.

Students admitted with curricular deficiencies must resolve those deficiencies within the first 12 hours of enrollment at UCO. All students admitted on transfer probation are required to meet with their academic advisor to be advised of available academic support services and applicable academic policies. These students may have specific academic course requirements prescribed as a condition of admission and enrollment.

Articulation Policy for Transfer Credit

A student who completes a post-baccalaureate, baccalaureate, Associate of Arts, or Associate of Science degree at any Oklahoma State Regents for Higher Education institution may transfer into a UCO baccalaureate program with general education requirements met. Additional courses, however, may be required as prerequisites for a major or to meet certain professional certification requirements as defined by the state: for example, in teacher education if not previously taken. Responsibility to assure all university core requirements are met as part of the curriculum of the first degree rests with the transferring institution, i.e., the institution from which the student received the transferred degree. General education credit earned at regionally accredited colleges or universities within the Oklahoma state system will apply toward the basic (OSRHE minimum) general education component at UCO in the same way the credit would apply at the institution at which it was earned. Degrees from institutions without U.S. regional accreditation are not recognized.

Course work earned as a part of AA/AS degrees awarded from institutions carrying U.S. regional accreditation but outside the state system (domestic or international) will be evaluated on a course-by-course basis in accordance with university transfer policies.

Course work earned as part of an AAS (Associate in Applied Science) from institutions carrying U.S. regional accreditation will be evaluated on a course-by-course basis and in accordance with university transfer policies.

The university core/general education requirements will be considered complete for individuals holding a baccalaureate degree awarded from an institution carrying U.S. regional accreditation.

A minimum of 60 semester hours of course work, excluding physical education activity courses, applied toward the bachelor's degree must be earned at a senior (baccalaureate granting) institution.

Credit earned at a community college cannot be applied toward satisfying the minimum hours of upper division (3000/4000) credits required in a major or a bachelor's degree from the University of Central Oklahoma. Upper division requirements relate to junior and senior (3000/4000) level courses of study.

Transfer credits are accepted and applied to degree programs generally in accordance with the recommendations in the Transfer Credit Practices Guide published by AACRAO (American Association of Collegiate Registrars and Admissions Officers). Consequently, credits from some technical colleges and professional schools may

not be applicable toward degree requirements at UCO due to the highly technical or specialized nature of the course work.

UCO also reserves the right to accept transfer course work using the same grading practices as if the work was earned in residence at UCO.

The Undergraduate Academic Advisor has the authority to articulate transfer course areas in which he/she is the designated advisor. The Advisor will assure the decision is not in conflict with the Oklahoma State Regents for Higher Education's Transfer Matrix.

Academic Forgiveness Policies

Academic Forgiveness recognizes students may have experienced extraordinary circumstances which adversely affected their early academic grade point average. The intent of the policy is to assist students who have demonstrated they successfully overcame these problems toward obtaining a degree without having to complete a large number of extra courses simply to raise the GPA. Courses/semesters warranting academic forgiveness will be excluded from Graduation/Retention GPA calculations but will remain on the transcript. The University of Central Oklahoma recognizes two methods for the undergraduate student to recover from academic problems in ways which do not forever jeopardize his or her academic standing: the Repeated Course Policy and the Academic Reprieve Policy.

Repeated Course Policy

Students may repeat up to 4 courses not to exceed 18 semester hours of "D" or "F" grades and have the first attempt excluded from Retention GPA calculations. Only the first 4 courses repeated will be considered for GPA forgiveness. Courses eligible for GPA forgiveness repeated more than once will have all grades after the first attempt calculated in all GPA's. All repeated courses will appear on the transcript and be counted in the Cumulative GPA.

It is the student's responsibility to report repeated courses to the advisor on a "repeat form." Unless the form is received, all courses attempted will contribute to the graduation/retention GPA. The request for a repeated course form may be obtained at www.uco.edu/advisement under "Forms."

The Registrar reserves the right to adjust a student's transcript whenever a repeated course is discovered that has not been reported by the student. This could result in a student being ineligible for graduation or other recognition if adjustment of the record results in reducing the student's total credit hours or grade point average below required levels.

Academic Reprieve Policy

The Academic Reprieve Policy allows undergraduate students to have one semester or two consecutive semesters which were below the 2.00 GPA to be excluded from the Retention GPA calculations provided all of the following conditions are met:

1. At least three years must have elapsed between the period in which the grades being requested to be reprieved were earned and the reprieve request. The reprieve semesters grade point average must be below a 2.00
2. Students must have earned a GPA of 2.00 or higher with no grade below a "C" in all regularly graded course work (a minimum of 12 hours) excluding performance and activity courses since the semester(s) requested to be reprieved.
3. The student must be currently enrolled at UCO or seeking admission/readmission as an undergraduate degree

seeking student at UCO. In all cases, no reprieve will be posted to the UCO transcript until the student has successfully completed 12 semester hours in residence at UCO with no grade below a "C". If a grade less than "C" is earned before the first twelve hours after the semester(s) to be reprieved, then the request for reprieve is denied.

4. Students may receive only one academic reprieve during their entire academic career.
5. UCO does not recognize academic reprieves from other institutions.

Effects of a successful request for a reprieve:

1. Students who successfully completed a course (grade of "D" or better) during a reprieved semester and whose course grade in the reprieved semester had previously applied toward graduation requirements may need to complete additional course work to meet minimum credit hour requirements but will not be required to repeat the specific course(s).
2. If the student's request is for two consecutive semesters, the institution may choose to reprieve only one semester.
3. Once a reprieve is granted, it is permanent and UCO will not accept student requests for changes. UCO reserves the right to revoke reprieved semesters if they were awarded in violation of policy or based on incomplete or falsified information.

UCO will not grant a reprieve for students who:

1. Have already received a bachelor's or higher degree from UCO or any institution;
2. Are attending, or seeking admission to another institution (in-state or out-of-state).

Academic Renewal

UCO does not offer nor does it recognize academic renewal from other institutions.

International Student Transfer Admission

Transfer students from universities outside the United States and its possessions must meet all applicable requirements for admission of first-time entering international students as stated in the international student application packet.

Transferring students (F1 and J1 status) from U.S. universities must be in good standing with immigration and financial status prior to any request for transfer. Enrollment of such students will be pending upon the transcript of the final semester and SEVIS release. For additional information contact The Office of International Services at (405) 974-2390.

I.D. Cards

All entering students must have an identification (I.D.) card which will be issued the first semester of enrollment and will be used as long as the student is actively pursuing a degree at the University of Central Oklahoma. The I.D. card is required for completion of many business transactions, as well as for use of certain facilities on campus.

Students are charged the \$10.00 I.D. fee when the I.D. card is issued. The fee may be paid at the Bursar's Counter on the first

floor (when other tuition and fees are paid). Students must go to the I.D. Office, Nigh University Center, Room 134, to have their pictures taken. Students must provide a current enrollment form and one other authorized picture identification, (i.e., driver's license, passport, military I.D. card). Sunglasses and any item covering the hair must be removed for the picture.

Identification cards must be validated each semester at the Bursar's Counter at the time student fees are paid. A replacement fee of \$10.00 will be charged for a new I.D. card.

Programs with Selective Admission

Programs of this type are classified as "Selective Admission Programs." These additional requirements may include a higher grade point average, required audition or interview and/or other criteria. All additional admission requirements must be satisfied for consideration. University admission does not guarantee admission into a "Selective Admission Program."

This section contains programs which have higher or specialized admission requirements.

Teacher Certification

Licensure/Certification Procedures for Persons Graduating In-State and General Regulations for Eligibility

Special Note: Certification requirements established by the Oklahoma State Department of Education and the Oklahoma Commission for Teacher Preparation changed beginning September 1, 1999. Individuals who obtain certification after that date are subject to these new regulations.

Compliance with certification requirements is the responsibility of the individual seeking certification. Advisors can assist in the process, but compliance with all rules and regulations pertaining to certification is the responsibility of the candidate.

The individual seeking certification is responsible for following all guidelines presented in the University of Central Oklahoma undergraduate catalog or graduate catalog, depending upon the academic level of the certificate sought. Graduate level certificates require graduate level course work and completion of a master's degree for standard certification. Bachelor level programs require the completion of a bachelor's degree for certification.

Periodically the program guidelines, course work, and state regulations change. It is the responsibility of the individual seeking certification to meet the revised standards. An individual should therefore review the most recent UCO catalog, certification course lists, and state regulations, particularly when an extended period of time has elapsed during the completion of a program.

Program Procedures and Guidelines for Certification

The University of Central Oklahoma Teacher Education Services is located in the Education Building, Room 207, telephone (405) 974-5447. Applications and other information regarding certification may be obtained from that office. Applications for certification based on the completion of University of Central Oklahoma approved programs are processed through Teacher Education Services.

To obtain certification, the individual should:

- A. Complete all courses identified for general education and the respective professional education and specialized areas.
- B. Contact the appropriate department chairperson regarding the course work for the respective program, particularly if it seems likely that some courses previously completed could substitute for required courses in the program. Official substitution forms should be completed where courses, based on their titles, do not seem to match. If course names and levels from different institutions are equivalent, substitutions are NOT necessary.
- C. Completed the process for being admitted to the teacher education program, following the procedures and guidelines enumerated earlier in the section entitled "Admission Requirements."

- D. Completed the student teaching process following the procedures and guidelines enumerated earlier in the section entitled "Admission Requirements." Guidelines are in Teacher Education Services.
- E. Apply to take the appropriate state certification examinations according to UCO guidelines and suggested timeline. Application is made on the examination website at www.ceoe.nesinc.com.
- F. Must have completed the final checkpoint of the portfolio requirements for all courses, including student teacher artifacts, at time of application for licensure.
- G. After completing certification requirements and all applicable course work has been posted on the UCO transcript, including degree, if applicable, obtain an application for recommendation for the initial license from Teacher Education Services.
- H. Applicants must submit the application for recommendation, official transcript, with degree posted to Teacher Education services. If courses needed for certification were completed at an institution other than UCO, official copies of those transcripts must be submitted with the application form for certification. UCO will not supply official copies of transcripts from other universities. Applications cannot be processed without official transcripts showing all required course work.
- I. Effective November 1, 2001, Oklahoma requires applicants for initial teacher licensure to have on file with the Oklahoma State Board of Education a current OSBI and FBI fingerprint-based criminal history record. Fingerprint cards for this purpose are available in the Education Building, Room 207.
- J. When the Certification Officer at UCO completes the review of course work with respect to the appropriate UCO approved program requirements and certifies that those requirements have been completed and the Dean concurs, the application is then forwarded to the Teacher Certification Section of the State Department of Education.

Residence Requirement

In order for the University of Central Oklahoma to recommend candidates for certification, the candidates must meet all requirements for teacher education. In addition, candidates must complete at least their last 24 semester hours in the area of specialization (the teaching field) and professional education at UCO. These 24 semester hours must include the following:

- PTE 4901 Practicum in Professional Teacher Education
(if Educational Psychology taken elsewhere)
- PTE 4853 Classroom Management and Instruction
- PTE 4811 Contemporary Issues
- PTE 4828/38/48 Directed Observation & Student Teaching

Neither CLEP tests, nor advanced standing tests, nor teaching experience can be used to meet the UCO residency requirements.

Certification Examinations

The individual seeking certification must satisfactorily complete the Certification Examinations for Oklahoma Educators. The state certification examinations are administered six times each year on a set schedule with advanced registration required. Three different exams are required:

1. Oklahoma General Education Test (OGET) must be passed for admission to teacher education.
2. Oklahoma Subject Area Tests (OSAT) must be passed prior to the student teaching semester.

3. Oklahoma Professional Teaching Examination (OPTE) specific to the teaching level of the certificate sought.

Applications and study guides for state certification examinations are available from National Evaluation Systems online at www.ceoe.nesinc.com. The UCO Library also provides copies of study guides as well as practice exams available for checkout.

College Credit

Only work completed in state and regionally accredited colleges and universities, or transfer credit validated by an accredited college, will be accepted as a basis for teacher certificates. In order for the applicant to be eligible for certification, the grade point average of the applicant on all work submitted in qualifying for teacher certification shall be equal to or greater than that required for admission to the teacher education program at the University of Central Oklahoma.

Candidates transferring credit from out-of-state colleges or from Oklahoma colleges not having an approved program for a specific certificate area to an Oklahoma college or a university having an approved program in that certificate area shall have their work evaluated by the receiving institution. Transferring candidates shall expect to satisfy all requirements imposed by the approved program of the receiving institution in qualifying for certification.

The amount of college credit earned during one year, including correspondence and extension work, which can be used to meet certification requirements, will be controlled by the rules and regulations of the college or university. However, not more than one-fourth of the work completed to satisfy requirements in any area of preparation (general education, professional education, specialization) nor more than one-fourth of the total academic work completed may be taken by correspondence and/or extension study.

Work Completed In Community Colleges

Only 64 semester hours of credit taken in an accredited community college may be counted toward satisfying the general education and specialized education requirements of an approved certificate program. Work taken in an accredited community college after achieving sixty-four (64) or more semester hours may count toward certification in the areas of general education and specialized education providing the following guidelines are met:

- A. The course work is lower division work as determined by the course level assigned to the course by the four-year institution that will make recommendation for certification. If UCO designates a course as a junior or senior level course (3000 or 4000 level), then a comparable course completed at a junior college will NOT substitute for the course in the UCO approved teacher certification program.
- B. The course work is applicable in meeting the approved program of certification at the recommending institution.
- C. The course work CANNOT include any early childhood or elementary specialization area courses (this refers to the 40 hours of specialization).
- D. The course work CANNOT include any professional education courses (this refers to courses in the 28-31 hours in professional teacher education).
- E. The course work is counted in lieu of an equal number of hours of the 64 already taken at a community college so that no more than 64 semester hours, in total (including all general education), are being counted from community colleges.

- F. The last nine semester hours of credit in the area of specialization were completed in an institution having an approved teacher certification program in the area of concern. Community colleges do not have state approved teacher certification programs.

Initial Issuance of a License

The State Board of Education shall issue a license to teach to any person who completed his/her initial teacher education program after January 31, 1982, has not taught in a state accredited elementary or secondary school for a minimum of one year and completed the residency-year requirements, and who meets all of the following requirements (If the individual completed his/her initial teacher education program prior to February 1, 1982, he/she should contact the State Department of Education regarding certification requirements):

- A. Has successfully completed all training and courses required by the State Board of Education based on the guidelines and program in effect at the time of application for certification.
- B. Has graduated from an accredited four-year college or university and holds the standard baccalaureate degree (Those seeking career-technical certificates should verify requirements with the Oklahoma Department of Career and Technology Education).

- G. Has met all other requirements as may be established by the State Board of Education including meeting the residency requirement at the time of application for certification. The applicant should contact the State Department of Education regarding current residency requirements.

Issuance of Certificates

The State Board of Education shall issue a certificate to any person who meets all of the following requirements:

If the individual completed his/her initial teacher education program, he/she passed the applicable state certification examinations, and received a recommendation from the preparing University, the individual must then make application to the State Department of Education and pay the certification fee. (If the individual completed his/her initial teacher education program prior to February 1, 1982, he/she should contact the State Department of Education regarding their certification requirements.)

Issuance of a License or Certificate for Additional Certification Areas

Individuals who currently hold a valid Oklahoma license or certificate who desire UCO recommendation to obtain certification in another specialization area, must complete the following:

- A. Complete the specialization area courses based on the UCO state approved program.
- B. Complete a minimum of the last nine semester hours toward the new certification area through the University of Central Oklahoma.

- C. Satisfactorily complete the applicable state certification examination(s).
- D. Complete the appropriate developmental psychology course (e.g. child, adolescent, or developmental) for the level of the new certification area if the course was not completed previously (see the professional education work sheet for the new specialization area).
- E. Complete the course SPED 4123 Teaching Individuals with Disabilities if not previously completed.
- F. Make application for the new license/certificate through Teacher Education Services following the required procedures. Other criteria may be required for those who want to obtain additional certification in Elementary, Early Childhood, or Special Education. Check with the Teacher Education Services office for specific information.

For advanced certification requiring a master's degree, see current graduate catalog

Teaching Certificate Definitions and Overview

For certification to be received, an individual must hold a bachelor's degree and have completed the course requirements in professional education and in the area specialization, and have received a passing score on the applicable state certification examination(s).

- A. Certificate - All teachers who meet the requirements of an approved certificate program after January 31, 1982, and have zero [0] years of experience as a classroom teacher shall receive this initial entry-level document. Application is made through the recommending University and valid for five years
- B. Emergency Certificate (granted only by the Oklahoma State Department of Education) - This is issued only in emergency cases upon request and recommendation from a local school superintendent who shall state the schools' intention to employ the applicant if the certificate is granted. All such certificates are valid only within the school district upon whose request they are granted.

For those individuals who obtain emergency teaching certificates, it is recommended that they contact the Director of Field Experiences in Teacher Education Services prior to the beginning of the school year during which their emergency certificate is valid and discuss the alternative plan for student teaching.

Any person who obtains an emergency teaching certificate to teach in an Oklahoma accredited elementary or secondary school and has had no student teaching experience may complete the alternative plan for student teaching. The plan requires that the individual enroll in the four-semester hour in-service supervised teaching experience at the University of Central Oklahoma (permission and documentation of employment is required for enrollment). The in-service supervised teaching experience shall be completed during the first year that the teacher is employed in an accredited school. Permission from the school superintendent for participation in the in-service supervised teaching experience is required, and the individual must be supervised by UCO.

To complete a teacher certification program at UCO and to be recommended for teacher certification by UCO, the individual must have been admitted to the University of Central Oklahoma Professional Teacher Education program. The individual completing the alternative plan for student teaching must follow the guidelines presented in the section "Admission Requirements".

The number of semester hours of professional education normally required for the certificate sought may be reduced by the number of student teaching semester hours that are required. This reduction may be made if the student successfully completes the four semester hours of in-service supervised teaching experience.

Upon the completion of one year of teaching, the in-service supervised teaching experience, the residency year assistance program, successful completion of the appropriate certification examination(s), and other requirements appropriate to the certificate sought, the applicant may be recommended for a certificate.

Application for a Certificate

Upon successful completion of an approved certificate program and documentation is provided to the Professional Standards Division of the State Department of Education. This documentation is used to obtain the standard certificate. The State Board of Education shall issue a certificate to teach to any person who meets all of the following requirements:

1. Has completed an approved certificate program at a University;
2. Has received passing scores on the OGET, OSAT, and OPTE examinations;
3. Has been recommended for certification by the preparing University

Residency Information

Due to House Bill 3029, passed April 1, 2010, the Resident Teacher Program has been suspended from July 1, 2010 – July 1, 2012.

The Resident Teacher Program was initially implemented as a result of the Teacher Reform Act of 1980 (House Bill 1706). In 1995, House Bill 1549 changed the name from Entry-Year Assistance program to Resident Teacher Program. The intent of legislation is to establish qualifications of teachers in the accredited schools of this state through licensing and certification requirements to ensure that the education of the children of Oklahoma will be provided by teachers of demonstrated ability.

The licensed teacher is required to participate in the Resident Teacher Program during the initial year of teaching in an accredited school under the guidance and assistance of a Resident Teacher Committee in order to qualify for an Oklahoma teaching certificate.

"Resident Teacher Committee" is defined as a committee in a local school district for the purpose of reviewing the teaching performance of a resident teacher and making recommendations to the Board and the preparing institution of higher education regarding certification of the resident teacher.
