Please provide a concise, yet comprehensive, statement that explains the reasons for the deletion.

SPAN 2333 was created for the purpose of increasing students’ language proficiency at the 2000-level before the 3000-level culture and literature sequence. However, after having taught it several semesters, Spanish faculty members noticed a more urgent need for a conversation and composition course at the 3000-level. In addition to failing to meet the students’ need for more conversational training, SPAN 2223 was a 2000-level elective that drew low enrollment. Faculty proposes to delete SPAN 2223 in the interest of making room for a conversation and composition course at the 3000-level that will promote conversation and writing skills and that will allow UCO’s Spanish curriculum to align with those of our peer institutions.
