17. Please provide a concise, yet comprehensive, statement that explains the specific reasons for
requesting the change(s). Include any documentation or assessment information available supporting this
specific request.
The previously requisite course (PSY 3833) is changing from a 3000 to a 4000 level. The wording
in the course description will direction students to enroll in the course as a capstone in the last
semester of their degree. The major restrictions and student classification restrictions are being
removed. These changes are being proposed to align with the overall Psychology program
change and better serve students and their matriculation through the program.
18. Clearly explain how the characteristics of this course meet or exceed those outlined in Course Level Characteristics. Complete this question only if requesting a course level change. (Copy and paste table from “Course Level Characteristics” document for the appropriate course level of proposed course. Document may be found on: http://www.uco.edu/academic-affairs/files/aacc/forms/CLC%20table4_07.pdf.
