17. Please provide a concise, yet comprehensive, statement that explains the specific reasons for requesting the change(s). Include any documentation or assessment information available supporting this specific request.

Students pursuing a BFA in Dance Performance, BAED in Dance Education and BA in Arts Administration with an emphasis in Dance are all required to complete multiple semesters in Modern, Ballet, and Jazz technique. The students arrive at UCO with varying levels of skills and may need to repeat a course level for up to six semesters. This course change allows for more flexibility in leveling students of varying backgrounds. The discretion of the faculty will allow us to place the students in non-majors levels Beginning, Intermediate, or Advanced, or majors levels I, II, III, or IV. Additionally, descriptions are being updated for consistency across levels.

18. Clearly explain how the characteristics of this course meet or exceed those outlined in Course Level Characteristics. Complete this question only if requesting a course level change. (Copy and paste table from “Course Level Characteristics” document for the appropriate course level of proposed course. Document may be found on: http://www.uco.edu/academic-affairs/files/aaco/forms/CLC%20table4_07.pdf.)
