Please provide a concise, yet comprehensive, statement that explains the reasons for the deletion. THRT 3733 Hand Drafting for Theatre, presently designated as a ‘Recommended Elective,’ has not been offered by the Theatre Arts Department in the last five years. The skill sets it teaches have been eclipsed by the digital technology that is now the industry standard in theatre arts, which is covered in the course THRT 2743 Computer Drafting for Theatre. In eliminating this defunct course, we hope to make room for a new option that will enhance our Design/Technology Program for the benefit of all Theatre Arts students. See New Course Proposal for THRT 1xx3 Introduction to Design for Theatre.
