17. Please provide a concise, yet comprehensive, statement that explains the specific reasons for
requesting the change(s). Include any documentation or assessment information available supporting this
specific request.
The change to the course title reflects how the field routinely refers to the material. The changes
to the student classification and prerequisites are to align with changes to other courses in
thematic areas as part of the larger undergraduate program change.

18. Clearly explain how the characteristics of this course meet or exceed those outlined in Course
Level Characteristics. Complete this question only if requesting a course level change. (Copy and paste
table from “Course Level Characteristics” document for the appropriate course level of proposed course.
