17. Please provide a concise, yet comprehensive, statement that explains the specific reasons for requesting the change(s). Include any documentation or assessment information available supporting this specific request.

The current prerequisite, ENG 1213, has the prerequisite ENG 1113. Since both are Core requirements, students have to complete two Core classes before enrolling in either HUM 2113 (General Humanities: Ancient-Medieval) or HUM 2223 (General Humanities: Renaissance-Modern) to satisfy their Core requirement in Aesthetic Analysis. Returning to the single prerequisite aligns the two UCO General Humanities courses with the prerequisites for the same course at other Oklahoma colleges. The change should encourage students to complete their Core requirements earlier in their college career and should improve prospects for timely degree completion. In the course description, the removal of the word “Western” reflects the way the course has been taught for some time.

18. Clearly explain how the characteristics of this course meet or exceed those outlined in Course Level Characteristics. Complete this question only if requesting a course level change. (Copy and paste table from “Course Level Characteristics” document for the appropriate course level of proposed course. Document may be found on: http://www.uco.edu/academic-affairs/files/aacc/forms/CLC%20table4_07.pdf.
