8. Please provide a summary of the requested changes. (this is a listing of the changes requested) (This information will be submitted to the OSRHE)

ADED 5133 History & Phil of Adult Education is being added to the Controlled Electives. . In the Adult and Higher Education program, we are eliminating the admission requirement of submitting a writing sample and switching to asking our students to submit a personal statement along with their graduate application.

9. The reason(s) for this change are based on which of the following: (Check all that apply; explain and document in Question #10)

- Specialized Accreditation
- SSCI (Self Study for Continuous Improvement)
- Benchmark (e.g. comparison to peer institutions)
- Assessment Data
- Faculty Knowledge/Discipline Expertise
- Advisory Board/Outside Professional Group
- Other: Remove Writing Sample through UCO Testing Services to remove
- financial burden on Student

10. For all items checked in Question #9, please provide a concise, yet comprehensive, statement that explains the reasons for requesting the change including any necessary documentation. (The information provided here will be submitted to the OSRHE)

We are requesting the addition of ADED 5133 History & Phil of Adult Education to the Controlled Electives to give student another choice in course selection. Upon learning that the testing center would begin charging our graduate students to complete the writing sample, the faculty decided that it was in the best interests of our students to eliminate this additional cost when applying to our program.
