Total 70 hours

To include additional course work required for the A.A.S. in Nursing Science as presented in the RSC Catalog.

*These courses will be substituted for the RN-BSN students, but are not used as equivalent in other programs.

Some of the following University Core courses may be taken at RSC.

(May be taken at RSC.) This signifies that a UCO course requirement can be met with the equivalent RSC course (found on the UCO website). To take this course at RSC, the student should confirm that it will fit into the associate's degree without exceeding the requirements. A minimum of 30 hours must be taken in residency at UCO. A minimum of 60 hours must be taken at a baccalaureate granting institution, so exceeding 64 credit hours at the community college means the student will exceed the minimum of 124 credit hour total. A minimum of 40 hours of 3/4000 level courses is required for the baccalaureate. Courses from community colleges are 1/2000 level.
